North Dakota Knights of Columbus Foundation

Charitable Gift Annuity Program

The North Dakota Knights of Columbus Foundation's Charitable Gift Annuity Program provides an excellent opportunity to support the religious, educational and charitable programs of the Catholic Church and the Knights of Columbus in North Dakota, while enjoying a fixed income for life.

Here are a few of the most frequently asked questions about our program:

What is a North Dakota Knights of Columbus Foundation Charitable Gift Annuity?

A North Dakota Knights of Columbus Foundation Charitable Gift Annuity, managed by the Catholic Development Foundation, allows you to transfer assets (cash, securities, etc.) to the Development Foundation. In turn, the Foundation will provide you with a guaranteed income for life. The payment amount is determined by the age of the annuitant when the annuity is initially funded. Once determined, the payment amount remains fixed for the annuitant's lifetime.

Can a Charitable Annuity have more than one annuitant?

Yes, it is possible to have up to two annuitants. In fact, joint annuities are quite common for people who want to insure that one another will enjoy payments for life.

Why a North Dakota Knights of Columbus Foundation Charitable Gift Annuity?

Suppose Grace, a 75 year old widow, plans to bequest \$10,000 to the North Dakota Knights of Columbus Foundation in her will. In the interim, she can receive **guaranteed annual payments of 7.1 % for as long as she lives by purchasing a Charitable Gift Annuity.** (Note: Payment rates are determined by the age of the annuitant.)

Federal tax laws would allow Grace to deduct part of her annuity as a charitable gift in the year the gift is made.

Based on her payment schedule, Grace **would receive \$710 each year** for as long as she lives. When filing her income tax annually, she need only report part of her payments; the remaining part may not have to be reported as income. (Note: The length of time that payments are partially tax-free varies depending on your age when the charitable gift annuity is created.)

Upon Grace's death, the Foundation's obligation to make payment ends and the remainder of the original gift goes to the North Dakota Knights of Columbus Foundation, to support its programs, as Grace had intended.
