

*“Charity is Love”*

The Knights of Columbus partnering with Special Olympics is a real testament to the charitable giving of KC members nationwide. Since charity is the first principle of our order, knights throughout the state, are being a shining example of that principle. Your continued support of this program is important as it relies solely on organizations like Knights of Columbus to function.

When setting up your council programs for the new fraternal year, remember to include a fundraiser for Special Olympics.

A reminder to all councils that the **Special Olympics Form 4584** is due January 1, 2018. By filling out this form, even if your council was not involved with Special Olympics, we receive money from Supreme. The form can be found on the Supreme website.

To learn more about Special Olympics and what they are all about go to [www.specialolympics.org](http://www.specialolympics.org) or [www.specialolympicsnorthdakota.org](http://www.specialolympicsnorthdakota.org). There is also a link on our state website at [www.nd-kofc.org](http://www.nd-kofc.org).

The Knights of Columbus are truly dedicated to the athletes, families and the mission of Special Olympics North Dakota. We are making a difference!
